SUNDAY ROUTINES

*Mark Dobbs is a musician at a famous club in New York.
In this week's article, he talks about his routine for his favorite day of the week.*

I love Sundays. I'm at the club every Saturday night, so I usually get up at 12:00 on Sunday mornings. I drink coffee and read the news on my laptop.

At 3:30, I usually go to my favorite restaurant, Joe's, and I eat breakfast. Then I hang out with my friends in the park. They play soccer, and they're really good! I don't play – I watch.

At 7:00 p.m., I go home and chat with my brother online. I go to bed around 10:00. Sunday is always an early night for me.

C. (每題 2 分，共 20 分)

Jeff: Dad, I need to ask you something.

Dad: Sure, son, what is it?

Jeff: Well, uh, the truth is, I'm broke again. Could you lend me US\$200 just till the end of the month?

Dad: Broke again? Jeff, you said you could make ends meet. But this is the third time you've asked me for help!

Jeff: I know, I know, I'm sorry. But, see, my old laptop broke, and I had to buy a new one. I can't work on homework assignments or play online games on a broken laptop, right?

Dad: Look Jeff, if you want to do anything, that's OK with me, but you can't keep asking me to pay for you!

Jeff: OK, OK, you're right. But what do you think I ought to do? Everything costs an arm and a leg around here.

Dad: Well, first of all, I think you'd better go on a budget. Make a list of all your income and all your expenses. And then it's simple. Don't spend more than you earn.

Jeff: But that's exactly the problem! My expenses are always larger than my income. That's why I need to borrow money from you.

Dad: Then maybe you should work more hours at the computer store.

Jeff: Dad! I already work 15 hours a week! How can I study and work more than that?

Dad: Come on, Jeff, when I was your age...

Jeff: I know, I know. When you were my age you were already married and working and going to school.

Dad: That's right. And if I could do it, why can't you?

Jeff: Because I'm not you, Dad, that's why!

Dad: All right, Jeff, calm down. I don't expect you to be like me. But I can't lend you any more money. Your mother and I are on a budget too, you know.

Jeff: Maybe I should just drop out of school, work full-time. I can go back to school later.

Dad: I wouldn't do that if I were you.

Jeff: Yeah, but you're not me, remember? It's my life!

Dad: All right, Jeff. Let's not argue. Why don't you think about this very carefully and call me back. OK?

Jeff: OK.
