26. I have not finished with the Taylor's case. There are still a few *loose ends*.

The phrase *loose ends* means

- A. mistakes
- B. corrections to be made
- C. changes to be made
- D. small details to be attended to

27. Some studies have found that after people have a good laugh, the level of immunoglobulin A in their *saliva* and blood increases.

The word *saliva* means

- A. liquid produced by the mouth
- B. urine
- C. groups of cells
- D. central nervous system

28. Dolly was the first sheep to be successfully cloned using cells from an adult sheep.

She looked ordinary, but she was different from other sheep. She was a clone.

Animal cloning may keep some animals from becoming extinct.

Which of the following statements is false?

- A. We can say that Dolly was created by some scientists.
- B. Dolly was an identical copy of another adult sheep.
- C. Dolly looked quite weird because she was a clone.
- D. Cloning may save some animals from extinct.

29. Holders of Travelers' checks must sign each check immediately on receipt in the space marked "Signature of Holder" at the bottom of the check, and only countersign the check at the top in the presence of the paying Agent at the time of encashment. Any loss arising from the non-observance of this precaution will fall on the holder.

The expression *any loss will fall on the holder* means

- A. The holder will be responsible for any loss.
- B. The company will pay for any loss.
- C. It will be the holder's fault.
- D. The company will deduct commission from the currency proceeds.

30. Shake the bottle. Keep tightly closed and in a cool place (preferably in a refrigerator). Use within 7 days. The bottle is only two-thirds filled when dispensed. It is important to complete the prescribed course.

Which of the following statements is true?

- A. The bottle must be kept in a fridge.
- B. The bottle is only two-thirds filled before transportation.
- C. The bottle is the milk bottle.
- D. These instructions are listed on the medicine label.

(C) (31-35) Read the following passage and answer the questions.

A man was going from Jerusalem to Jericho, and he fell among robbers, who stripped him and beat him, and departed, leaving him half dead. Now by chance a priest was going down that road; and when he saw him he passed by on the other side. So likewise a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan, as he journeyed, came to where he was; and when he saw him, he had compassion, and went to him and bound up his wounds, pouring on oil and wine; then he set him on his own beast and brought him to an inn, and took care of him. And the next day he took out two denarii and gave them to the innkeeper, saying, "Take care of him; and whatever you spend, I will repay you when I come back."

----Luke 10: 29-37.

31. What's the author's purpose in this passage?

- A. to convince
- B. to tell a story
- C. to analyze something
- D. to offer a solution
